We Need Seniors & Students Volunteers!

Both time and class-size can limit the amount of individual attention students receive in school. School systems look to organizations like Interfaith to fill in the gaps by recruiting volunteers to help.

Ways you can help:

- Tutoring students in small groups or one-on-one to develop their reading, math, and writing skills
- Exchanging letters in the Pen Pal program! Throughout the year students will develop writing skills, and the dialog provided benefits both students and seniors.
- Assisting in the office or school library
- Leading stations as part of a Folk Art Fair

Training is provided and commitments can be daily, weekly, or a one-time special event. You may choose a time during the school day or after school that is convenient for you.

Find out more about becoming a volunteer by contacting our Volunteer Manager at 262-522-2404.

Thank You to Summer Volunteers

A big thanks to the many groups that volunteered for Interfaith this summer. The clients and staff enjoyed meeting you and appreciate your efforts to better our community.

200 youth and adults participated in a variety of activities, including helping with a painting project, cleaning up brush in a client's yard, attending Senior Sensitivity workshops, playing games with residents at Saratoga Heights, making birthday cards to send to clients, and beginning to put together items for holiday giving.

There is still much work to do! If you have a group that would like to help serve our community, we encourage you to contact Interfaith Senior Programs. Our next big project will be Fall Yard Clean up!

Let us come
speak to your
senior group!

Our staff would love to do a presentation for your group on the different services and volunteer opportunities Interfaith Senior Programs provides in Waukesha County. To schedule a visit, contact Kris Lombardi at 262-522-2402.

Opportunities for Youth

- Organize a gift card drive for Holiday Giving
- Experience a Senior Sensitivity Training Workshop
- Celebrate a Day of Service, an activity-based event beginning with a discussion on why service is important. Then it's all hands on deck to complete an activity that will benefit seniors!

Celebrate the Season of Joy

We're already preparing for our annual Holiday Giving Project! It's Interfaith Senior Programs facilitates help to 500 low-income seniors and adults with disabilities with a self-sufficiency gift each December. The contents of the gift help each client maintain a proper level of nutrition, safety, and healthcare access.

The Need

Many seniors in Waukesha County are at risk of malnutrition, homelessness, premature institutionalization, and inadequate healthcare. This is due to increasing fees and premiums, taxes, a lack of personal or family resources, and needing transportation options to healthcare appointments.
