Volunteer Needs

One-time Lawn Mowing help in Brookfield: A client in Brookfield is looking for help with her yard. She has been matched with a lawn mowing volunteer but there are a few areas where the grass has grown too high and a push mower can't handle it. While the areas aren't huge, the grass is extremely high and would need to be cut with a riding lawn mower. Once these areas are maintained, her volunteer should be able to keep up with it. If anyone is able to help with this one time project please contact Marisa at (262) 522-2402 or MarisaS@ErasWaukesha.org.

Friendly Visiting Opportunities: We currently have two Eras Senior Network clients looking to be matched with a Friendly Visitor. Be a friend to a senior or an adult with a disability who is isolated and looking for someone to talk to. Opportunities are available to visit with clients on an ongoing basis. Please see the attached document to read more about the clients and their interests. If you are interested in any of these opportunities, contact Judith at (262) 522-2411 or JudithA@ErasWaukesha.org.

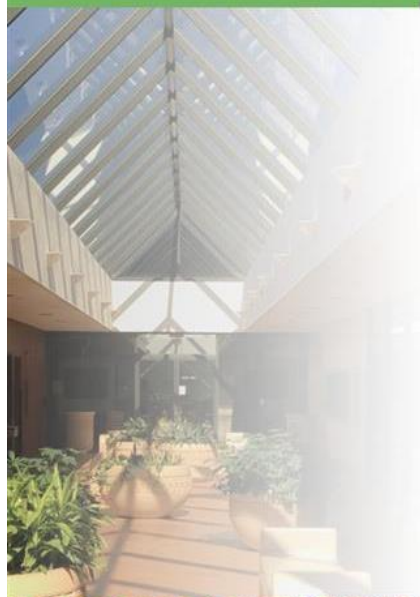

Kitchen and Bedroom Painting: A client in Waukesha is looking for a volunteer to help finish removing wallpaper in her kitchen and bedroom. She is also looking for those walls to be primed and painted. If you are interested in this project, contact Spring at (262) 522-2407 or SpringK@ErasWaukesha.org.

Ceiling Painting: A client in Muskego is looking for a volunteer to help paint their living room ceiling. If you are interested in this project, contact Spring at (262) 522-2407 or SpringK@ErasWaukesha.org.

Dryer Vent Cleaned: A client in Waukesha is looking for help cleaning out her dryer vent. If you are interested in this project, contact Spring at (262) 522-2407 or SpringK@ErasWaukesha.org.

American Diabetes Association Tour de Cure

Tour de Cure is a fundraising event for the American Diabetes Association. The event will be held on Saturday, July 13th at Hoyt Park in Wauwatosa. Tour de Cure is for people of all cycling abilities, featuring 3 well-marked cycling routes with safety marshals and safety vehicles, and fully stocked rest stops. The 3.1 mile run and walk routes are a great way to get out, have fun, and celebrate those who are living with diabetes.

Tour de Cure is more than just a ride, walk or run— it is a celebration of the ADA's mission and a chance to raise critical funds to help fight diabetes. Every mile covered and every dollar raised brings us that much closer to a cure.

The American Diabetes Association is still in need of volunteers at or before their event. They need as much help as possible for a successful event. You may view the different volunteer opportunities [here](#). If you are interested in volunteering, please contact Abbey at ABornemeier@diabetes.org or (414) 778-5500 X6510.
