

February 2022

Dear Volunteer,

Although it's hard to believe, Eras is already starting to prepare for Spring opportunities and programs. With warmer temperatures in the forecast, it's exciting to think about the sunny days ahead. Until then, we hope you are all staying safe and please let us know if we can answer any questions you may have.

## Welcome to the Eras Team, New Volunteers!

Thank you for giving your time to help support seniors in Milwaukee County! The impact of your gift will be felt by all that you serve.

## Eras Has N95 Masks Available

Are you in need of a mask? Eras Senior Network has a number of N95 masks available for both clients and volunteers. A reminder that both clients and volunteers should be wearing a mask during all service activities. You can help us out by picking up masks at one of our three offices.

If you have any questions or are in need of a mask, please contact the Eras staff member in charge of pick-ups at the office location of your choice.

## Black History Program

February is Black History Month and Eras is partnering with the Clinton Rose Senior Center for their Black History Program. There will be music, performances from three dance groups, and two speakers. Volunteers will greet attendees and be placed where help is needed throughout the event. The program will take place at the Clinton Rose Senior Center (3045 N Dr Martin Luther King Jr Drive Milwaukee, WI 53212) on February 23<sup>rd</sup> from 12pm - 2pm.

If anyone is interested in helping with the program please contact Freda at (414) 488-6927 or [Freda.Wright@Eras.org](mailto:Freda.Wright@Eras.org). Additionally, we have attached some Black History Trivia for everyone to learn something they might not know.

## Volunteers Needed for Friendly Phone Call Program

We are putting out a call for volunteers to join the Friendly Phone Call program! This program pairs an Eras client with a volunteer to have regular conversations by phone. The Friendly Phone Call program is a longer-term commitment (12+ weeks) and seeks to decrease social isolation and reduce the feelings of loneliness in our clients.

### How does it work?

- The volunteer will complete an application, be screened, and matched with a client(s).
- The volunteer calls the client to introduce themselves and, along with the client, decides when and how often they should connect (usually between 2-4 times a month, with calls typically lasting 20 minutes or less- but may be longer if time permits).
- After each call, the volunteer lets Eras know whether they were able to connect with the client (through a quick email, phone call, or online survey).
- If a client asks for a ride, assistance, resources, or has questions or concerns, volunteers should refer them to our main line. Eras staff will follow up on any additional needs that the client has.
- Repeat!

If you or someone you know is interested in becoming a volunteer, or you have questions about the program, please contact Volunteer Coordinators Britney or Sarah at (414) 488-6931 or [VolunteerMilwaukee@Eras.org](mailto:VolunteerMilwaukee@Eras.org).

## A Big Thank You To Everyone Who Made Holiday Giving 2021 A Success

Thank you to all who supported our 2021 Holiday Giving Program! Because of you, we were able to mail **880 recipients a holiday gift including more than \$50 in gift cards and stamps** in a handmade holiday card. But more than that, older adults living in Milwaukee County and Waukesha County were reminded that they are important to the community.

Thank you so much!
