Milwaukee County Volunteer Newsletter

Dear Volunteer,

The Eras staff wanted to send a big thank you to all of our dedicated volunteers. The past 8 months have been nothing like we have ever experienced before, but because of the support and dedication from our volunteers, we have been able to continue providing so many essential services to clients throughout Waukesha and Milwaukee County. So, thank you for everything you do, without your dedicated service we could not continue serving all the seniors in our community.

Welcome to the Eras Team, New Volunteers!

Thank you for giving your time to help support seniors in Milwaukee County! The impact of your gift will be felt by all that you serve.

National Family Caregivers Month

November is National Family Caregivers Month, a time to recognize and honor family caregivers across the country.

Celebrating Family Caregivers enables all of us to:

- Raise awareness of family caregiver issues
- Celebrate the efforts of family caregivers
- Educate family caregivers about self-identification
- Increase support for family caregivers

For more information on the Caregiver Action Network, [please visit their website](#).

Reporting Volunteer Hours

Reporting volunteer hours is an extremely important part of the process as it brings closure to the event allowing us to know it was completed. In addition, volunteer hours are one way Eras paints a picture of what work is being done in the community by volunteers and continues to help with funding for the programs offered through Eras Senior Network. **Volunteers in Milwaukee County are currently reporting volunteer hours at a rate of 66%.** This is amazing and we thank you so much for all the work you are doing! In effort to always improve, we are hoping to increase this number to 75% by the end of the year.

Please remember that there are so many ways to report your hours to us.

- Email us at VolunteerMilwaukee@Eras.org
- Call us at (414) 488-6500
- Visit the [online form](#) on our website
- Enter your hours in the Volunteer Portal ([instructions found here](#))
- Record your hours on a paper form and mail them to us

Support the Holiday Giving Program

Since 2004, Eras Senior Network has provided self-sufficiency care packages to isolated and low-income seniors and adults with disabilities. This year, Eras is excited to work with the community to provide gifts to up to 1,100 older adults in Milwaukee County and Waukesha County. This is our highest number of recipients ever! Due to COVID-19, we are mailing all of our gifts in a holiday card and focusing on the most basic needs. While our wish list has fewer items, we aim to serve more than double the number of clients we served in 2019. Please help us give \$50 in gift cards and postage stamps to each of our recipients.

We encourage you to help collect donations to make this year's Holiday Giving packages meaningful for our community's seniors.

Holiday Giving Wish List:

- \$10 Walgreens gift cards
- \$10 Pick 'n Save gift cards
- \$10 Walmart gift cards
