Spotlight Volunteer

LINDA
TIMM

Linda Timm has been a volunteer with Interfaith for over three years. At Riverside, she is involved in afterschool tutoring as well as working in the classroom and library.

Because of her commitment to volunteering, we interviewed her about why she does what she does, and why she likes volunteering at Riverside in particular.

“I am a strong believer in giving back for all the good things that I have received.”

You never know how many lives you are going to touch or in what way when you volunteer, and that is what Linda loves the most about it.

“Volunteering gives me the opportunity to explore different things I have not been able to do in life, and it allows me to share my experiences with others.”

Interfaith is now looking for individuals who wish to explore this opportunity and make a difference in a child’s life.

Seasonal Volunteer Opportunities

Fall Yard Cleanup

We need energetic volunteers to prepare the homes of seniors and adults with disabilities in Waukesha County for winter. This opportunity is perfect for large groups and families. Sign up your congregation, community group, or business for Fall Yard Clean Up today.

You pick the day (between October 18 and November 16th) and we coordinate the rest. You will be able to help out with as few or as many houses as you or your group want to help with. This is a completely flexible position. It's just that easy, and the homeowners truly appreciate your help!

Remember to Enter Your Hours

The volunteers for Interfaith do amazing work, and each and every one of you deserve to be counted! Hours are important to nonprofits not only for the clients and the volunteers, but the numerous grants and agencies that we work with. By collecting your hours, we can show agencies and funding sources the differences you make in the community. Keep up the good work and keep those hours coming in.

Snow Shoveling

Help a neighbor in your community this winter. We will need volunteers as soon as the snow starts falling. Volunteers will be matched with a senior or adult with a disability in their community to remove snow from their driveway and sidewalk. Details can be coordinated directly with the person you serve.

Enjoy the crisp winter weather as you provide this needed service to an individual that is no longer able to shovel snow due to age or physical condition. This is a great opportunity for families or groups looking for service hours, and it will be able to help teach children the benefits of serving others.
